REFERENCES

SIPHATHISIWE LUCKY HLAKAZA

FRONT-END DEVELOPER

PROFILE

I am a self taught UI / front end specialist. I specialize in rapid UI development across all screen resolutions and devices. My interests are in tracking UI interactions and monitoring the effects of varying UI element placements.

I have experience in various languages of web development acquired over the past four years. Wrote my first code when I was 16 and continuously learned new languages. I am a hard worker who is passionate about web development and a fast learner
